In brief the accommodation consists of; entrance hall giving access to a great sized lounge, which benefits from a feature wood burner as well as doored access to the rear garden, which fills the room with natural light. Also, there is an incredibly spacious and well laid-out open plan kitchen-diner room, which is a great social space, and further benefits from a utility area for further convenience.

There is also three good sized bedrooms (2 double, 1 single) as well as a large bathroom with three-piece suite. The property further benefits from a good level of storage as well as having underfloor heating which is a fantastic feature- especially for cold winter nights ahead!

The property sits on an elevated plot in the prime location of Main St, Middleton. Middleton is a very sought after Welland Valley Village, which sits between East Carlton & Cottingham. This property is just a short walk away from East Carlton Country Park which is a great spot for scenic country views. Views of the village can be seen from the rear garden, which really exemplifies the village charm, seeing the sun set over the village is a great sight.

The property sits between nearby towns Market Harborough and Corby, meaning that town conveniences are within a short reach from the village.
